Please take a few minutes to answer the following questions about Mount Erie School. Thanks for your time this evening.

1) What aspects of the school do you like, appreciate and want to see continue as the school moves forward?

2) What aspects of the school, its programs, or culture are you not so pleased with? These might be things you would like to change or eliminate as the school moves forward?

3) What forward, future-looking ideas do you have about our school and the direction you would like to see?
