

MT. ERIE ELEMENTARY

WINTER READING PROGRAM

Dear Parents and Students,

We truly believe reading is fundamental to each student's education and that every book is not only a learning opportunity, but an adventure waiting to happen. Our winter reading program is designed to help our wonderful teachers assist the students in building a habit and love of reading that will last a lifetime.

The program will last 6 weeks, running from January 9th through February 16th. The school has set a goal for Mt Erie students to read a total of 10,000 hours during the program and every student completing a Reading Card will be eligible to win some really great prizes. The more cards completed, the more chance of winning! At the end of the program, an assembly will be held to recognize all the reading accomplishments by the students.

Here is how our program works ~

- **Set a time for reading each day**
- **Initial a square when the required reading time is met**
- **Reading continues until all blank squares have been initialed – this equals a “*Completed Reading Card*”**
- **Return the Completed Reading Card to their teacher**
- **Pull a new Reading Card located in the classes or on the bulletin board and begin again**

If you have any questions, please feel free to call or email John at 293-3117 or lucalily@comcast.net
